

ITHACA
Restaurant, Bar and Lounge

May I take this opportunity to introduce you to ITHACA, a destination venue previously unparalleled in Manchester. Located on John Dalton Street in the cosmopolitan heart of the city, the 4.5 million pound project has now been completed with no expense spared. The outcome of this ambitious and patiently executed project can boast an exclusive 7,700 square foot, five star, five-storey building, offering a South-East Asian fine dining experience with separate luxury cocktail lounge and VIP member's space.

Whilst the ground and the first floor accommodate over 70 covers across the two intimate restaurant spaces, the second and the third floors make way for a sophisticated cocktail bar followed by a sumptuous VIP member's lounge. By night, the latter will accommodate some of Manchester's finest Glitterati and wealth, secreted away on the top floor of the building. Downstairs, Our dining experience is an eclectic mix of South-East Asian culinary delights, put together by a team of the world's finest Pan-Asian and Japanese Chefs. ITHACA has therefore ensured that only an elite team of Bar and Restaurant professionals will be in place to ensure the success of such an exclusive venue.

At Ithaca, we feel that there is tremendous scope to develop solid and exclusive relationships between local corporate enterprises and ourselves. We envisage Ithaca becoming the nucleus for local networking, and we look upon ourselves as the obvious choice for the modern 'city slicker' whose specific needs are essential to the development of modern day business. Furthermore, we hope to encourage growth and expansion within the Northwest corporate sector by allowing Ithaca members to become part of our exclusive corporate hub.

For those seeking constant updates, we have provided instant WI-FI and for those looking for seamless perfection in their corporate facilities, we assure you that every aspect of Ithaca has been designed to serve the exact needs of our discerning clientele.

Time spent within the walls of ITHACA promises to envelop you in an atmosphere of complete unashamed luxury and discretion. It is for these reasons and beyond that I would like to extend an invitation to you to accept our complimentary, ITHACA CRYSTAL Member's card. Membership is completely free but by invite only, and is symbolic of ITHACA'S ability to recognise valuable or loyal clientele. This invitation will entitle you, the card holder, to a wide variety of benefits including: 10% off all food during the day, priority access to Ithaca with two guests (subject to Terms and Conditions) and luxury affiliate privileges associated with a membership at ITHACA.

The enclosed brochure specifically documents the level of service that you as an ITHACA CRYSTAL member can expect.

I'd like to thank you for your time and look forward to hearing from you very soon. If you have any questions, please do not hesitate to contact me or one of my team on the number below.
